

Jubilate Deo

The musical and lyrical contents of this booklet are ancient compositions of the Roman Catholic Church, collected by the Sacred Congregation for Divine Worship in 1974 on the instruction of Pope Paul VI and issued as his personal gift to the Catholic Bishops of the world and the heads of religious orders.

The phrase-by-phrase translations are intended simply as an aid to those not fluent in Latin; to that end, they tend to the literal and do not always succeed in giving the broader sense of the Latin original. They are *not* suitable for liturgical use.

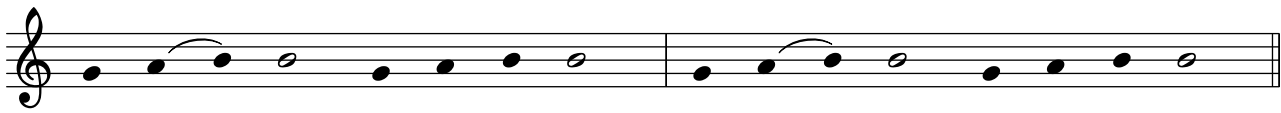

All music layout was performed with the LilyPond engraving program; the text is 12 point Computer Modern and set using the L^AT_EX typesetting system.
